About the School

Description

DAV Police Public School, Yamuna Nagar as D. A. V stands for Dayanand Anglo Vedic, here students are getting knowledge of both Western and Indian Culture side by side. It is run under DAV College Managing Committee its building is wide in area and it is very spacious from inside. All the class rooms are very spacious, airy and well equipped. The lush green lawns, plants and flowers around this open space make it a pretty sight to look. It is located inside the Police Lines, which is very nice and peaceful place. Full safety of students is there. It is away from crowd and noise pollution. Good number and different types of swings are providing to the students. Our school has big ground for sports and games, a big sports room for indoor games also. All the laboratories are well equipped with all necessary instruments for doing practical. The library and reading room is spacious and students are provided with numbers of subjects, moral and even some inspirational books.

Vision & Mission

As an educator we will provide for students the opportunity to a make a positive difference in their lives to help them accomplish unexpected goals. We will enhance learning to support our students in achieving their highest potential by integrated technology into the curriculum. We will integrate conceptual technology learning techniques that will implement concrete knowledge of technology and understanding. Through committed support from educators, faculty, staff, parents and the community, we will provide advance learning to support our students. Our purpose is to enable our students to attain their full potential through spirituality, social growth, moral soundness and physical well-being, sensitive to their responsibility to God, family, community and world and to lay the foundation for bright and faith-filled futures.
