## School Infrastructure

Our learning campuses are designed by recognized architects to provide an environment and resources vital for the 21st century education. The infrastructure aims at balancing academic & non-academic development needs of a child. The iconic setup comprises small learning communities with outdoor learning zones instead of traditional four-walled classrooms so that each child moves freely and feels secure. We ensure that our students get the best facilities & freedom which we understand is important to bring ease in learning. The state-of-the-art campus caters to the seamless blend of academics, sports, performing arts, community and experiential learning program for holistic development of a child.

### **Computer Lab**

Realizing the need and importance of computer education in modern times, sophisticated computer lab equipped with thirty computers with broadband connectivity, LCD monitors and printers etc, has been established to provide computer training to all the students under the guidance of experienced and qualified instructors. The administrative block too has the access to broadband connectivity with 30 computers.
